

# The Boys and Girls Club of East Alabama

## NATIONAL BOYS AND GIRLS CLUB WEEK IS JUNE 26-30

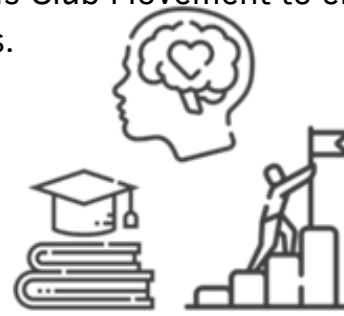

Our Formula for Impact serves as the roadmap for the Boys and Girls Club Movement to ensure that youth achieve key outcomes in Clubs.

Young People Who Need Us Most

Outcome-Driven Club Experience

Priority Outcomes in Academic Success, Good Character, and Healthy Lifestyles

Since 1990, Boys & Girls Clubs of East Alabama (formerly Boys & Girls Club of Greater Lee County) has been a leading force in youth development for ages 6-18. Our Vision is to offer a World-Class Club Experience, enabling every young person who enters our doors to reach their potential. Our members are guided towards Academic Success, Good Character and Citizenship, and Healthy Lifestyles.

## SUMMER CAMP 2023

Join BGC East AL as we inspire club members to dream about the possibilities. Our Clubhouse team and partners will engage them in fun activities both inside and outside the clubhouse. Each week of the Great Futures Summer Camp, themed "To Infinity & Beyond," will focus on inspiring and encouraging club members to envision their future possibilities.

## COMMUNITY IMPACT

Our Clubhouses, including the Auburn Clubhouse, Opelika Clubhouse, and "Club on the Go," are where the magic of Boys & Girls Clubs of East Alabama happens every day. Whether it's the Afterschool Academy or Summer Enrichment Camp, our dynamic programs offer a range of experiences for young people. These include Homework Help, STEM, SMART Girls, Passport to Manhood, Music, Visual Arts, Crafts, Sports & Fitness, and more!
