

CLIENT SUCCESS STORY

Jenny and her family recently immigrated to the US, facing numerous challenges. Among them, Jenny was aiding her son Cole in catching up with his schoolwork. Despite her efforts, she sought help from LCLC due to language barriers. They joined the Legacy Learning Project, enhancing both their literacy skills.

Though initially reserved, Cole's vibrant energy was harnessed by LCLC, incorporating English practice into enjoyable games. Their native culture and language remained intact while they gained bilingual proficiency, ensuring a seamless transition to life in the US.
