LIVE UNITED

Santa Claus is coming to Town!

Come out and share in the holiday tradition with Santa Claus at Toomer's Corner. Bring the children, family and graduates to make memories this Christmas season, while supporting United Way of Lee County.

United Way and Santa Claus will be at Toomer's Corner:

Saturday, December 16th

11:00 AM to 4:00 PM

AND

Sunday, December 17th

11:00 AM to 4:00 PM

A special thank you to the Downtown Auburn Merchants Association for making this event possible!

#GivingTuesday is tomorrow November 28th. #GivingTuesday is a day of giving fueled by the power of social media and collaboration. United Way of Lee County's focus for #GivingTuesday will be on our 29 partner agencies and programs providing services to those in need throughout Lee County. We encourage you to give back to your community and be the one to make a positive impact. Please join us Tuesday, November 28th, as we give back to our community. Why do YOU choose to be the One? #LiveUnited #GivingTuesday #BetheOne

Campaign Update

We have reached 60% of our goal!

We are already in the holiday season, but the United Way campaign is still underway! We are thankful for all the many donations we have received to date and could not do this without the help of our wonderful community. We are currently at 60% of our goal and what better way to say what we are thankful for than by giving to United Way to help our partner agencies and programs. Help us to reach 100% of our goal.

Turn-In Breakfasts

During this campaign season, we have had great representation at our Thursday morning Turn-In Breakfasts. We have enjoyed seeing new and familiar faces this year. We have had a great time hearing from each of the partner agencies and programs, eating, playing games and celebrating volunteers and their turn in contributions each week. Thank you to all our volunteers who have attended these Turn-In Breakfast meetings. You have worked hard to make this campaign successful.

Agency Spotlight:

Achievement Center

Easter Seals - Achievement Center serves Lee, Russell, Macon, Chambers, and Tallapoosa counties in Alabama as well as several counties in Georgia. They provide services that include vocational training, evaluation, and employment exploration opportunities for persons with physical, mental, and developmental disabilities along with individuals who are culturally, socially,

or economically disadvantaged.

Through working with partner organizations and employers, Easter Seals - Achievement Center helps provide services that allow members in the community to become successful, contributing individuals. In the last three years, the Lee County Chapter has assisted approximately 217 individuals through Achievement Center's variety of services. As of October 2015, the local area had an unemployment rate of 4.5% with the state being 5.6%

Easter Seals - Achievement Center's various programs call for extensive training and mentoring so volunteering is a great way to become more involved. They are also always looking for new employment opportunities for their consumers. If you are interested in learning more, call 334-745-3501 or visit the [website](#).
