

EAST ALABAMA SERVICES FOR THE ELDERLY, INC.

Formed in 1974, EASE promotes the general welfare of individuals in Lee County while improving public attitudes toward the aging process while addressing the needs and obstacles facing the older population by providing health, nutritional, and educational programs to improve the quality of life for the older population.

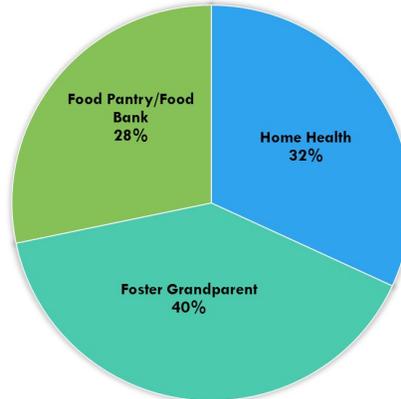

What We Do:

EASE addresses the needs of the aging community and those deemed at-risk through the:

- Home Health Program
- Food Pantry/Food Bank Meals
- Foster Grandparent Program

*OUR SENIORS LIVE LONGER
HAPPIER HEALTHIER LIVES!*

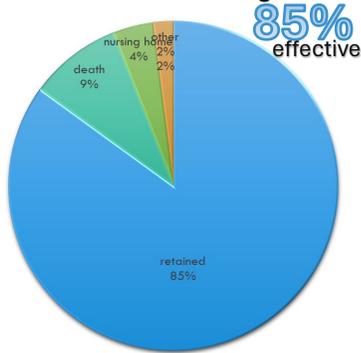

EASE PROGRAMS PROFILE MAKEUP

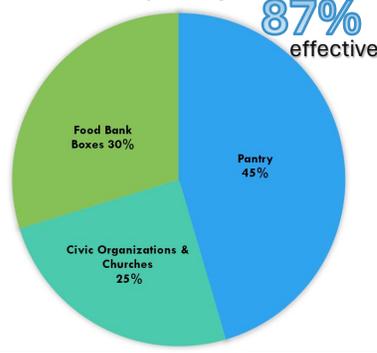

How are We Making a Difference:

By providing life sustaining in-home care services, food security, hygiene, and paper products, and through the educational programs- seniors mentoring and tutoring to further the lives of students deemed at-risk while receiving a modest stipend improving the quality of life for the older population by keeping them active in the community.
