

# Keeping Family Connections (KFC)

Keeping Family Connections, a program of Twin Cedars Youth and Family Services, Inc., was established in 2014 to address the need for supervised visitation in a safe, neutral environment. Accepting referrals from courts, attorneys, Guardians Ad Litem, and DHR, our trained staff provide supportive visitation using the “supportive supervision” model. This model includes real-time parent training and feedback, with the goal of stabilizing families and transitioning to unsupervised visits.

Children with strong family bonds are more likely to succeed in life, feel safe and loved, and have confidence to explore and learn. These connections can also help children develop their emotional stability, social skills, cognitive development, resilience, and self-esteem.

## Without Parent Involvement

Disrespectful students who do not stay engaged in learning

Low assignment scores and incomplete work

Small audience at events and disappointed students

## With Parent Involvement

Respectful and engaged students who are learning

Higher student achievements - complete work and more effort

Parents attending events, volunteering, and contributing to the school

Keeping Family Connections is funded in part by the Alabama Department of Economic and Community Affairs through the Victims of Crime Act, the Davison Bruce Foundation, and the United Way of Lee County. The program also benefits from proceeds raised at Twin Cedars' community fundraiser, "Bites, Brews & Blues," taking place on March 28, 2025, at Choctafaula Natural Escape. For more details, visit the Twin Cedars website.
