

Project Uplift

Project Uplift, founded in 1973, aims to aid children in developing positive, content lives, ultimately reducing delinquency in our county.

Operating akin to the big brother big sister concept, our program fosters meaningful bonds between children and volunteers. By nurturing self-esteem, we empower children to make informed decisions as they transition to adulthood.

COMMUNITY IMPACT

“My son has much more of a positive attitude, he’s willing to do more without being told, and he uses manners I had never heard. He told me his “big sisters” taught him. They also help him with his homework and his math and language grades have come up already.”

-Project Uplift Parent

GET INVOLVED

REFER: children 5-12 in Lee County can be referred to be a part of the program. Email puplift@auburn.edu for more information.

FALL CARNIVAL: hosted by Auburn's Interfraternity Council on September 21st from 4:30-6:30 at Farmhouse fraternity
